

INSTRUCTIONS FOR YOUR LENS PROCEDURE

In preparation for your upcoming surgery, please review the following reminders:

- **General Reminders:**

- A member of our team will call you the day before your procedure to review your medical history and to let know your surgery appointment time.
- Please fill your eyedrop prescriptions if you have not already done so.

- **Start using the following eyedrops 3 days prior to your procedure:**

- Place 1 DROP of ILEVRO 1 TIME EACH DAY and 1 DROP of MOXIFLOXACIN (VIGAMOX) 3 TIMES EACH DAY (breakfast, lunch, and bedtime) in your operative eye(s).
- Please wait 5 minutes between eye drops.
- **DO NOT USE DUREZOL.** You will start using this drop **after** your procedure.

- **On the Morning of Your Procedure:**

- Place 1 DROP of ILEVRO and MOXIFLOXACIN (VIGAMOX) in your operative eye(s).
- Please wait 5 minutes between eye drops.
- **DO NOT USE DUREZOL.** You will start using this drop **after** your procedure.
- You may take your regular medications in the morning with a sip of water (AVOID diabetic medications or diuretics).
- **DO NOT** apply cologne or perfume.
- **DO NOT** apply makeup or lotions to your face.
- Wear loose comfortable clothing: preferably a shirt or blouse that opens in the front. Leave jewelry and other valuables at home.
- You may enjoy a light meal prior to your procedure but **PLEASE AVOID CAFFEINE.**
- HAVE A RESPONSIBLE ADULT ACCOMPANY AND DRIVE YOU TO THE CENTER AND BACK HOME.
- Notify the office of any change in your health (fever, cold, sore throat, etc.) before the procedure.

If you have any additional questions, please call SightTrust at (954) 653-0100.
