ADVANCE DIRECTIVE NOTIFICATION:

In the state of Florida, all patients have the right to participate in their own health care decisions and to make Advance Directives or to execute Power of Attorney that authorize others to make decisions on their behalf based on the patient’s expressed wishes when the patient is unable to make decisions or unable to communicate decisions. SightTrust Eye Institute upholds those rights.

However, unlike in an acute care hospital setting, the Surgery Center does not routinely perform “high risk” procedures. Most procedures performed in this facility are considered to be of minimal risk. Of course, no surgery is without risk. You will discuss the specifics of your procedure with your physician who can answer your questions as to its risks, your expected recovery, and care after surgery.

Therefore, it is our policy, regardless of the contents of any Advance Directive or instructions from a health care surrogate or attorney-in-fact, that if an adverse event occurs during your treatment at this facility, we will initiate resuscitative or other stabilizing measures and transfer you to an acute care hospital for further evaluation. At the acute care hospital, further treatments or withdrawal of treatment measures already begun will be ordered in accordance with your wishes, Advance Directive, or Healthcare Power of Attorney. Your agreement with this facility’s policy will not suspend any current health care directive or health care power of attorney while at this facility.

If you wish to complete an Advance Directive, copies of the official state forms are available at our facility or you may obtain a copy via the website:

http://ahca.myflorida.com/mchq/health_facility_regulation/HC_Advance_Directives/index.shtml

If you do not agree with this facility’s policy, we will be pleased to assist you in rescheduling your procedure.

If a patient is adjudged incompetent under the states laws, the rights of the patient are exercised by the person appointed and /or the legal representative designated by the patient under Florida law to act on the patient’s behalf. The center will accept a Court Appointed Guardian, Dual Power of Attorney, or a Health Care Surrogate.

PATIENT COMPLAINT OR GRIEVANCE:

If you have a problem or complaint, please speak to the receptionist or your care giver. We will address your concern(s) promptly. If necessary, your problem or complaint will be advanced to the Manager for resolution. You will receive a letter or phone call to inform you of the actions taken to address your complaint.
